

**Lector Newsletter
Saint Andrew Catholic Church
Summer 2010**

Summer has finally arrived and we hope many of you are able to enjoy vacations and some time off during these months. We ask that you carefully review your scheduled times as lector and arrange in advance to have substitutes for the times you will be gone. We all enjoy our time off, but Mass attendance falls off during the summer months and it's all the more important to ensure coverage of all the volunteer liturgical ministries during this time. Thank you for your cooperation.

IMPORTANT NOTES ABOUT THIS LECTOR SCHEDULE

- Please discard the last lector schedule after the last weekend in May and *use this schedule (June – August)*. The first weekend in June of this schedule does not match the last weekend of the March – May schedule (which was June 5 – 6).
- Because of a shortage of lectors, we are no longer able to provide two Scripture Readers at the 7:00am Mass or the 12:30pm Mass. If any of you are willing to help out by being scheduled two to three times per schedule at either of these Masses, please contact Tom McCraw at 817-296-3126 or Tomswr@yahoo.com so he can include you on the September – November schedule.

Church Evacuation Procedure

NOTE TO ALL LITURGICAL MINISTERS (LECTORS are Liturgical Ministers!)

In lieu of our annual Evening of Renewal and Potluck (due to the ongoing renovation of our Parish Hall) we are planning to have a training on our newly developed church evacuation procedure, followed by defibrillator training. ***ALL liturgical ministers will have a role in the church evacuation procedure***, so please watch the bulletin or the website for the training date and time.

Hope you all have a great summer. Thank you for your continued help with this ministry. We look forward to spending time with you all at the Church Evacuation meeting in June. Stay tuned for the date and time – it will be listed in the bulletin for those who don't have email and it will be emailed to the rest of you.
