

Jean Tocco, MA

1. What do you consider the most important issue facing St. Andrew Parish and how do you recommend addressing it?

Evangelization of the diverse and growing population is the most important issue facing St Andrew Parish. Through constant examination of strategies being used to build community and replacing ineffective strategies with others that have been effective in other communities similar to ours.

2. What do you like best about St. Andrew Parish and why?

For the last 3 years St Andrews has done a great job at building community. I see the gradual effort of a big church engaging more people in its educational and service programs.

3. What gifts would you bring to the Pastoral Council?

I wish to bring my gift of time, love and commitment and my willingness to serve God in this capacity through discernment and prayer.

4. Additional Information:

My granddaughters attend SAC School. I went to Catholic school all my life in San Antonio. I did my masters work at Incarnate Word College in San Antonio. I have been a part of St. Andrews for 15 years. I served on the parish Leadership Council for over a year, but did not finish my term due to my mother's illness and death. Therefore, I wish to serve again.
