The Learning Center at St. Andrew Catholic Church

Part of Saint Andrew Childcare Ministry,
an Adult Faith Formation and Outreach Ministry
of Saint Andrew Catholic Church.

Our mission is to provide quality childcare in a safe, loving Christian environment.

The Learning Center (TLC) program is designed to give parents time to work, enjoy themselves, or just do those little things that are difficult to do with small children along. It is our intent for the children in our care to have an equally enjoyable day playing with friends, enjoying new experiences, doing crafts, and exercising their minds and bodies. Our teachers are paid, trained staff members who are also kind and understanding people who enjoy teaching and sharing the basic principle of God's love.

For more information about TLC,
